The main content area shows a greeting: "Good Afternoon, Andrew." Below this is a "Find Care" section with a search bar and a "Search for care..." input field. A row of filters includes "Doctors by specialty", "Doctors by name", "Places by name", and "Places by type". An "All Messages" section shows "1 unread" message with a "Welcome to Blueprint Portal!" notification. A right-hand panel titled "Explore your dental benefits" includes a list: "View recent dental claims" and "View covered services", with an "Access Dental Center" button at the bottom.

- The initial down payment will be \$500 - and you'll pay \$250

- You will receive monthly payments until the \$2,000 has been paid

How does my Carryover/Rollover benefit work?
